

Supporting the Community: *A Recap*

By Becky Gallman, local resident

Chapin Women in Service had a busy fall, as they offered support in various ways in the Chapin Community. Volunteers, while working on planning a Holiday Tour of Homes, also made time for the following activities:

- Assisted with Bingo at Crooked Creek
 - Hosted a tea party for residents at Lowman Home
 - Made fall decorations for the Lowman Home dining area
 - Assisted with the Lady Pro Team Up Fore the Cure golf tournament at Timberlake Country Club
 - Gathered for a fish fry fundraiser for the Troop Appreciation Foundation
- Service is in our name, and we are committed to serving our community. Chapin Women in Service is an IRS and state-recognized charity. We are dedicated to giving our time to create resources to support

meaningful local projects. To learn more about CWS, please email chapinwomeninservice@gmail.com.

Share your upcoming event with your Chapin neighbors. Contact aprilrobinson@bestversionmedia.com
