The Chapin Women in Service invite you to attend their 2nd annual Tour of Homes! They are kicking it off with a step back in time, embracing the Holiday Season on Sunday, December 3, 2023. This year, the tour will feature six homes starting in Little Mountain and ending in Timberlake. Each home will be decorated in the holiday spirit, reflecting each homeowner's unique style. The tour ends with a reception that includes delicious charcuterie skewers,

sweet holiday treats, and beverages. There will also be an opportunity to take home one of the 9 Raffle Baskets, which are each valued at \$100 or more.

The Chapin Women in Service, established in 2020, is a non-profit organization headquartered in Chapin. "This fundraising event will allow us to help local Chapin Charities during this holiday season," stated Deb Fell, Fundraising Chairperson. Fell added, "Our focus is on serving and supporting the Chapin Community by giving our

time and talents to benefit others."

Tours commence at noon, with subsequent tours scheduled every half hour until the final time at 2:30 p.m. Tour length is approximately three hours in duration. Tickets are \$45.00. You can get your tickets before they sell out by contacting CWS at Chapinwomeninservice@gmail.com or Jacqueline Odell at odelljd@aol.com.
