

Grateful for Boland's Ace Hardware

By Becky Gallman, local resident

Each year, Chapin Women in Service designates a member(s) of our community to receive our gratitude for their goodwill and support.

It was easy to choose Boland's Ace Hardware for this year's recognition. They allowed us to set up in front of the store for several months to sell patriotic bows to raise funds to support the American Legion building fund.

To show our appreciation, we delivered pizzas and homemade baked goods to Leigh Ann Whittaker and her staff at Boland's. We are thankful and grateful for them!

We invite you to share your inspiring charitable stories and initiatives with us, send your information to aprilrobinson@bestversionmedia.com
