

Gratitude in Action: Successful Bow Sales for American Legion

By Becky Gallman, local resident

Chapin Women in Service members were happy to present a check for \$12,419.00 to the American Legion for their building fund. The American Legion does so many good things for our Veterans and our community that CWS is happy to support them in this.

Members spent many hours making and selling patriotic bows to neighbors and friends to raise money for the donation. We appreciate Boland's Ace Hardware for offering space in front of the store where we set up our bows on many weekends in April, May, and June. Customers were very generous in purchasing bows and making donations for the cause.

Members bonded in friendship over the many afternoons spent working on this group project and common goal. Chapin Women in Service is an IRS and state-recognized charity. We are dedicated to giving our time to create resources to support meaningful local projects. To learn more about CWS, please email chapinwomeninservice@gmail.com.
