

What Makes Chapin Women In Service Different?

BY BECKY GALLMAN, LOCAL RESIDENT

Chapin Women in Service is different from other women's groups because the recipients of our service and fundraising efforts remain in the Chapin area. While other women's organizations engage in state, regional, national, and even international involvement, Chapin Women in Service focuses on serving Chapin community members and improving the Chapin community.

When we met this week, members brought cleaning supplies to benefit Sistercare. Service Committee members delivered, and Sistercare associate, Chastity, was pleased to accept \$200.00 worth of cleaning items for the use of the women and families they serve.

Chapin Women in Service is an IRS and state-recognized charity. We operate by giving our time and raising money to support meaningful local projects. If you are interested in learning about CWS or becoming a part of this group, contact Julie Creathorn at 585-802-8133 or email chapinwomeninservice@gmail.com

We would love to include more stories of organizations and residents who help to support our Chapin community. Submit your information to aprilrobinson@bestversionmedia.com
